THE SEXPERTS

Street Date: 2/6/2018
SRP: \$29.99
Cost:

Synopsis:

Featuring Audrey "Madame Olga" Campbell and Rusty Allen, *The Sexperts* is a 1965 exploitation classic about the rise and fall of a young woman who travels to New York City hoping to find fame and fortune in the dog-eat-dog world of theatrical entertainment. Newly re-mastered from original film elements and featuring scenes shot in Eastmancolor, it is paired here with a bonus DVD collection of rare 1960s nudie loops.

- DISC 1: THE SEXPERTS (1965) Liz Adams is willing to pay any price to make it on the Broadway stage. Her first conquest is a young actor, then a theatrical director. Liz's roommate Connie, a lovely young model, is shocked to discover the lengths to which Liz will go to advance her career. The girls eventually make their way to a Greenwich Village party, where the libertine atmosphere degenerates into an orgy of lust. Repulsed by her indecent surroundings, Connie makes a break for it. Liz, however, gives herself over completely to debauchery, descending into a whirlpool of vice. Director: J. Nehemiah.
- DISC 2: NAUGHTY NUDES '65 Short nude films had been around since the dawn of cinema, but it was early in the 1960s that the "nudie loop" exploded across the flickering screens of 10 cent arcades and became a mainstay in peep shows establishment and grindhouse theaters throughout the U.S. Now these vintage rare shorts featuring the most voluptuous women of the day – naughty, girl-next-door exhibitionists! – have been gathered together on this special bonus DVD.
