TURN A GUNDAM BLU-RAY COLLECTION 2

Street Date: 3/7/2017
SRP: \$74.99
Cost:

Synopsis:

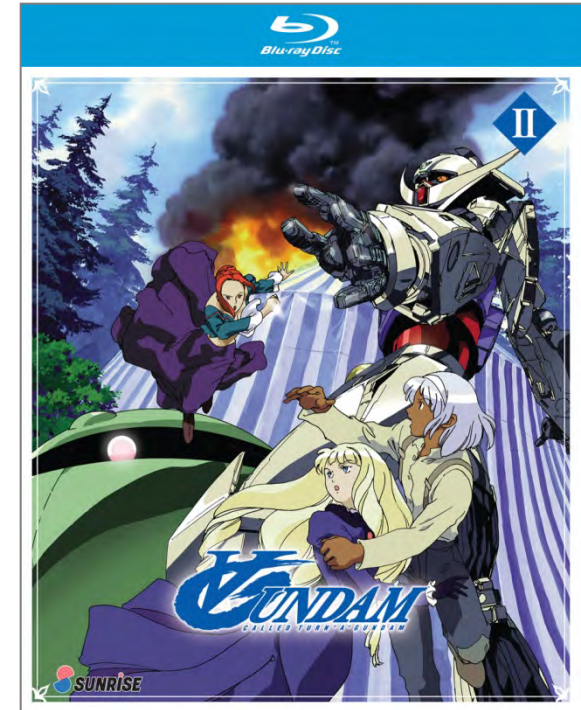

Wishing to turn the tide of war, Guin Rhineford leads the Earth Militia into space aboard the Willghem. His hope is that a solution for the conflict might be reached once they arrive at the Moon. However, Queen Dianna's absence has caused disarray for the government she had left behind and created a power vacuum in the Moonrace leadership. Meanwhile, for the sake of his friends, Loran Cehack continues to assist Guin Rhineford by piloting the Turn A Gundam. But as his knowledge of the machine's operation grows, so too do his concerns about its terrible past recorded in the Dark History. Under what circumstances could a weapon this powerful have come to be forgotten? Directed by the original Mobile Suit Gundam creator Yoshiyuki Tomino. Music by Yoko Kanno (Cowboy Bebop, Gasaraki, Ghost in the Shell).

Contains episodes 26-50 of Turn A Gundam.

Special Features: Clean Opening and Clean Closing plus a 3-part interview with Mechanical Designer Syd Mead (Blade Runner, Aliens, Tron). 80 minutes of extras!

A CONSPIRACY TO RULE: THE ILLUMINATI (2 DVD SET)

Street Date: 3/21/2017
SRP: \$19.99
Cost:

Synopsis:

There is a sinister group that controls the world. They hide behind a system they have created, that they control from within other organizations that have a global reach. They are not presidents and politicians; they are the ones who manipulate such people like puppet masters. Are you prepared for the truth? Then join us on our journey into the heart of the Illuminati in this two-DVD set that exposes over two hours of this darkest conspiracy and corruption.

- A World Ruled by Evil - Through manipulation, marketing, propaganda and force, the Illuminati control the world, but they aren't the politicians you're thinking of because most often the politicians are pawns themselves. The ruling elite are members of a long line through history that stretches back thousands of years and can be traced through their bloodline.
- A Conspiracy to Rule - Investigate how the Global Elite who comprise the New World Order, strive relentlessly to form a One World Government, pulling the strings of deception through manipulation of the media and mechanisms that control our very thoughts and actions.

CALLANETICS BASICS: FOR BEGINNERS

Street Date: 3/28/2017
SRP: \$14.99
Cost:

Synopsis:

Callanetics Basics is a safe, gentle, easy-to-learn routine designed especially for the beginner. If you have never exercised before or if you are trying to get back into a regular routine, Callanetics Basics has been developed so you can learn the fundamentals of Callanetics at your own pace. Callanetics is a series of small, gentle, precise motions consistently applied that quickly tighten hips, buttocks, inner and outer thighs, flatten the tummy, lift the bust, firm underarms, tone the entire body and dramatically improve your posture. Unlike other exercise programs that stress hard jerking motions, the Callanetics exercises are truly no-impact. Featuring exercises for every part of the body, this half-hour routine is the perfect place to start your journey to a more beautiful and healthy body. Perfect for beginners and active older adults.
