SRP: \$19.99  
Cost:

## Synopsis:

A blood-soaked, tongue-in-cheek tribute to grindhouse classics like *The Punisher* and *Nail Gun Massacre*! In a city riddled with corruption, drugs and gangs, a veteran cop is murdered by a vicious king pin, sparking a brutal crime wave. Only one man can stop the bloodshed – a ruthless, motorcycle riding vigilante bent on bloody revenge called *Homicycle*, who is now picking off the killers one by one. Armed with an arsenal from Hell, he's cleaning the streets by decapitation, nail gun and motorcycle madness! Is he a gun-toting savior on a path of righteous redemption, or is he literally *Hell on Wheels*?

# DARK FORCES ON PLANET EARTH

Street Date: 11/14/2017  
SRP: \$19.99  
Cost:

## Synopsis:

Since time immemorial, there has been a very powerful and sinister force that has been paralyzing the human race. Their means of control surround us in our daily lives. The agenda is one that thrives on the suffering and slow destruction of all things humanity considers sacred and the number one target for them is the human race. Find out more with these two speculative documentaries collected on one extended DVD program.

- **A World Ruled by Evil:** Through clever manipulation, marketing, propaganda and force, a few elite men control our world and our very lives. Welcome to a secret society so powerful and evil they have secretly ruled for centuries and can be traced throughout history via their own bloodline.
- **Alien Reptilian Legacy:** There has been an underlying darkness controlling humanity since time began due to nefarious shadow beings known as the Reptilians. In this unprecedented expose on these inter-dimensional beings, hear riveting testimony from alien abductees and experiencers that point to a sinister agenda behind the alien presence on Earth.

# THE SECRETS OF CALLANETICS

Street Date: 11/21/2017  
SRP: \$12.99  
Cost:

## Synopsis:

Unlock the full potential of your Callanetics workout! Millions of people around the world have already discovered how Callan Pinckney's revolutionary, no-impact Callanetics routines can shed years off your figure - without the back-stressing, body-jarring motions of other workouts. Now, The Secrets Of Callanetics offers in-depth instructions showing you how to get the most from each movement to achieve even greater body-shaping results, no matter which Callanetics program you follow! This is an instructional program only, not a workout. Certified Callanetics teachers present tips for getting maximum results from selected Callanetics positions which require precise positioning and movement.

Use this DVD in combination with Callanetics workout DVDs: Callanetics; Super Callanetics; Beginning Callanetics; Quick Callanetics and AM/PM Callanetics.

# CLASSIC CALLANETICS

Street Date: 11/21/2017  
SRP: \$14.99  
Cost:

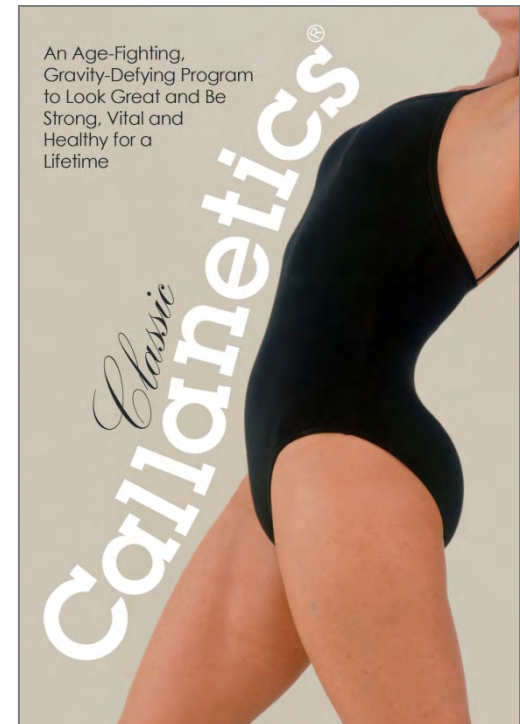

## Synopsis:

Callan Pinkney, author of the best-selling exercise book Callanetics, personally demonstrates her innovative deep-muscle exercise technique. Featuring a complete 60 minute routine.

Unlike other exercise programs that stress hard jerking motions, Callanetics is a series of small, gentle, precise motions consistently applied that activate the body's largest, most powerful muscles to tighten hips, buttocks, inner and outer thighs; flatten the stomach; lift the bust and firm underarms and tone the entire body. It can also dramatically improve your posture. After one hour of Callanetics you will feel the effects; after a few hours of the program you should start to see the difference. By following the simple 60 minute Callanetics workout three to four times a week, the body you always dreamed of may be yours!

## Classic Callanetics®

For the first time Classic Callanetics presents every single exercise that makes up the original Callanetics routine, as taught by Callan Pinckney. Compiled from archive footage originally filmed for the Quick Callanetics video series. These are the exercises that revolutionized the fitness industry and deliver results that other programs can only dream of.
