# AMERICA DERAILED: THE FALL FROM GREATNESS

Street Date: 9/19/2017  
SRP: \$19.99  
Cost:

## Synopsis:

The once great United States of America is now more like a dilapidated locomotive gone off the tracks. Never has there been more political unrest, anger and confusion in our once great country. Despite the advancements of technology and the perhaps delusional notion of progress, America has never been more divided or more in upheaval since the Civil War. Explore the history behind how we got here today and the horrors our government has committed along the way in this comprehensive two DVD set.

- **America's Secret History:** Discover the true origin of the United States of America and explore the occult origins of its signs and symbols revealing that secret societies are responsible for how we live our daily lives in this modern free world and the ruling elite who have been orchestrating our world for centuries.
- **American Mind Control:** After WWII, the US proceeded to experiment on innocent citizens in an effort to determine how to interrogate spies during the Cold War. Chemicals, hypnosis, sensory deprivation, isolation, verbal and physical abuse were considered a means to an end but not before the CIA destroyed thousands of documents to hide their illegal activity.

# FINDING HITLER: NAZIS AND THE GREAT ESCAPE

Street Date: 9/19/2017  
SRP: \$19.99  
Cost:

## Synopsis:

The men behind the holocaust were members of the most evil and vile political party ever to have existed. We know them as the Nazis. Their purpose was to bring about the rise of a 1000-year Reich. Fortunately the world rallied and they were defeated, yet hundreds of high-ranking Nazi's escaped capture. You'll learn their fates in this comprehensive two DVD set filled with cutting edge modern research.

- Hitler's Great Escape: New evidence reveals that Allied governments knew Hitler was still alive and helped conceal the truth that he was living in Argentina with his wife, Eva Braun. Based on the bestselling book, "Hitler in Argentina" by Harry Cooper, a renowned WWII expert and researcher reveals his shocking research.
- 3rd Reich: Evil Deception: Adolf Hitler was the greatest master of manipulating the hearts and souls of mankind in recorded history. Mass hypnosis, blatant propoganda, control of the media and eradicating the opposition were all part of the plan. Nothing was off limits to the Nazi regime, including an escape plan.
